

FORKLIFT TRAINING CLASS

**REDUCE RISK.
IMPROVE PERFORMANCE.**

Gain the skills and confidence to operate a forklift safely and efficiently in any work environment.

LEARN. PRACTICE. PERFORM.

Our hands-on training meets OSHA requirements and prepares you to operate with confidence.

YOU WILL LEARN:

- ✓ Forklift safety and inspections
- ✓ Controls and equipment operation
- ✓ Load handling and stability
- ✓ Workplace safety rules
- ✓ Hands-on driving practices

OSHA COMPLIANT TRAINING

Meets federal standards for powered industrial truck operators.

SAFER WORKPLACE. FEWER RISKS.

Proper training reduces accidents and increases productivity.

ALL EXPERIENCE LEVELS WELCOME.

Perfect for new operators or a refresher course for experienced employees.
