

GET CERTIFIED.
GET RECOGNIZED.
GET AHEAD.

NCCER

Journey-Level Assessments

BUILDING SKILLED PROFESSIONALS.
BUILDING STRONGER INDUSTRIES.

NCCER's **National Craft Assessment and Certification Program (NCACP)** helps contractors by assessing **skills and knowledge** of current craft professionals based on industry standards.

WHO THIS IS FOR:

- ✓ Contractors and owners verifying **journey-level competency** before deployment
- ✓ Workforce development and training targeting **faster upskilling**
- ✓ HR/Ops leaders building **skills-based talent pipelines**
- ✓ Craft professionals seeking to **validate experience and advance** their careers

THE NCCER ADVANTAGE

Industry-recognized standards

Built by industry, for industry.

Validate skills and knowledge

Confirm real-world competency.

Stronger workforce

Build confidence, improve performance, and reduce risk.

Career advancement

Stand out. Get recognized. Move forward.
