River City Consulting is a locally owned OSHA consulting firm offering Professional Safety/Health & Industrial Hygiene Services. We focus on keeping your employees safe and keeping your company in compliance. We have been in business since 2007 with 100+ combined years of experience! We offer many different services as well as OSHA assistance and onsite safety personnel, check out our Website to find out more about us & what we do! Stay Safe! Stay Healthy!

- Owned by Amanda (Retherford) Agosto and Kirk Agosto, with combined experience of over 40 years in General Industry, Construction, Oil & Gas, and Healthcare
- Our areas of expertise include (but are not limited to): Industrial Hygiene monitoring (air, noise, vibration, heat, etc.), OSHA Compliance Auditing, Safety Program Development, Ergonomic Risk Assessments, Machine Safety Risk Assessments, Safety & Health Management support (OSHA VPP, ISO 45001, ANSI Z10), PPE Assessments, Energy Control (LOTO) Procedure Development, Incident Investigation and Process Safety Management.
- Contact SRS at (256) 221-5746 or amandajretherford@gmail.com

“ALL THINGS SAFETY”

We believe that proper pre-planning, communication, and education; along with evaluation and feedback leads to a sustainable World Class Safety Culture (WCSC). The two keys are COMMITMENT & INVOLVEMENT.
